

## Verifying Club E-Mails

Golden Seniors Softball Club uses Constant Contact to communicate via email with its club members. Emails typically include current news such as when the next General Membership meeting is, league status, and other club activities and/or relevant information. The most recent Constant Contact email was sent on March 6, 2024.

Are you not receiving email notices from the Club? Have you fallen off the email list of Club activities? Do you feel Out of the Loop? Then something is wrong, and the Club needs to fix it.

The Club may very well have an incorrect email address for you. It is also possible you have inadvertently unsubscribed your receipt of Email Blasts from the Club President.

If you have checked your inbox and spam folder and did not receive the email blast sent on March 6, 2024 with the **Subject Line: “The latest news for you”**, please follow the step-by-step instructions to get you added back on the email distribution list.

### Step-by-Step Instructions:

1. Contact the Club's Player Agent, Dave Tanner, at (916) 216-1941 or by email at [davetannerqri@yahoo.com](mailto:davetannerqri@yahoo.com) to confirm the Club has your current and correct email address.
2. The Club's Player Agent will update your email address and arrange for it to be added to the Club's email distribution list.
3. If at some point in the past, you unsubscribed from the Club's Constant Contact email, The Constant Contact administrator will request you be reinstated to the list. Constant Contact will email you to confirm your intent to be reinstated. You will need to confirm your interest in being reinstated to the distribution list.
5. Once you confirm and reply with your interest to Constant Contact, your name and email address will be reinstated to the distribution list.

## General Membership Meeting Scheduled for March 11, 2024

**The second General Membership Meeting of 2024 will be held Monday March 11, 2024 at 7:00 pm at Rock and Brews 1600 Exposition Blvd Sacramento. The entry driveway is off Ethan Way.**

It is planned to update the membership on the current status of the Leagues and the drafts. Some rule changes will also be presented. If you want to know the latest, please attend the meeting.

The drafts for Leagues #1, #7 and #6 occurred on Saturday March 2nd at Rock and Brews. League #1 drafted four teams of 14 players each while League #7 and #6 have six teams. This was a great start for the new season.

The draft meetings for Leagues #2, #3, #4 and #8 will be held on March 21st at Rock and Brews. Leagues 2 and 8 are still short a few players and the Club is hoping the extra time will generate more candidates.

Tuesday night (L3) and Wednesday night (L4) Leagues are very short of players and the Board is concerned. You may recall the Thursday night League was cancelled due to lack of players sometime back. The Board does not want that to happen to L3 and L4.

If any Club member knows anyone who is thinking about applying or if you are recruiting a new player for the Club, this is the time to get it done. The Club needs your help.

See you at the Membership meeting.
